If you wish to support the legal compliance or soundness of the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Shropshire Test fails to ensure that where plans are adopted for certain areas, the impacts on other local communities are not reviewed and where necessary, addressed. For example, the Shrewsbury Big Town Plan seeks to remove a considerable amount of bus traffic from the town centre by closing the bus station and requiring buses to terminate at the existing park and ride locations. This makes use of public transport to access Shrewsbury Town Centre more difficult as two buses will be required from Baschurch. To access the hospital, 4 buses will be required. This will make the use of buses less attractive, that will then further reduce their sustainability and will led to further services being cut.

Whilst the aim of reducing pollution and congestion in the centre of Shresbury is to be applauded, these policies must not be Shrewsbury centric and must provide a wider solution that supports the whole of the Shropshire community.

(Please continue on a separate sheet if necessary)

**Q5. Please set out the modification(s) you consider necessary to make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q4 above.**

*Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Regulation 19: Pre-Submission Draft of the Shropshire Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.*

Add the following sub-paragraph to Paragraph 1:
